

Here's How to Join!

Your membership in the Sask Draft Horse Association is very important to us. Over the past 10 years our association has provided over \$12,000.00 toward draft horse shows and events. The majority of this money comes from memberships and fundraising. We would sponsor many more shows and a greater variety of events if we had the resources.

Draft horse owners of all breeds are always welcome. Even if you are not actively involved with Draft horses at present, please consider joining and lending a hand in our efforts. Volunteers are needed to help with administration, mailings, newsletter and website news items as well as assisting at shows, planning events and just keeping in touch with Draft Horse happenings.

Our constitution lists two categories of membership: Regular voting membership and Associate (Non-voting). We are going to be reviewing the membership categories and benefits over the next year and with that in mind all memberships will be considered voting. My belief is that if you pay the fees, you might as well have a say in what happens.

Sask Draft Horse Association Membership Application/Renewal

Name: _____ Breed : _____ (optional)

Address: _____ Town/ City _____
